

UPDATE

Date: 10 July, 2007
District: District 4, Oakland
Contact: John Cunliffe

Note on Ramp Closures

Ramp closure notification signs showing the same dates may be displayed at consecutive interchanges. The intent of these signs is to provide sufficient notice of ramp closures.

No two consecutive on ramps or two consecutive off ramps in the same direction of travel will be closed at the same time.

Should you be unable to take a recommended detour because consecutive ramps are closed, please use the contact page on this web site to inform Caltrans.

Thank you.
